

Improve management skills and flexibility with Everything DiSC® Management. This customizable virtual development solution teaches managers to successfully engage, motivate and develop their people. This program increases the effectiveness of anyone in a management role--whether managing direct reports or the relationship with their own manager. A comprehensive virtual learning experience with online pre-work and follow-up focusing in five key areas:

- Understanding DiSC® styles
- Directing and delegating
- Creating a motivating environment
- Developing others with different styles
- Identifying strategies for working more effectively with managers.

Participants learn how their management style influences how they manage time, make decisions, approach problems, and what they need to do to adapt to the styles of others to bring out the best in each and every employee in their charge.

The personalized 27-page management-specific report is packed with strategies to put into action immediately.

Program Components

The components of the learning experience include:

- The Everything DiSC Management assessment which builds the foundation for an ongoing personalized learning experience.
- Access to MyEverythingDiSC.com – a mobile-friendly, interactive learning portal that provides on-demand insights about DiSC and strategies for applying DiSC to real work situations.
- Virtual facilitation using short format, modular design that is easily tailored to any group size or time constraint
- Video-based examples of the styles showing ways to connect and work best with others for increased results.
